Ditch #4**

**FINAL HEARING NOTICE**

---

**PLEASE TAKE NOTICE**, the Board of Managers of the Roseau River Watershed District sitting as the drainage authority for Roseau River Watershed Ditch #4 (WD #4) will hold a final hearing on the pending Petition for Establishment of Roseau River Watershed Ditch #4, the engineer's detailed survey report, and the viewers' report of benefits and damages for WD#4. The engineer's detailed survey report and viewers' reports were filed with the drainage authority on September 7, 2022 and are available for inspection at the offices of the Roseau River Watershed District. The hearing shall be held at 6:00 p.m. on October 25, 2022 at the Roseau City Center, 121 Center Street, Roseau MN 56751. At the final hearing, the drainage authority will accept public comment regarding the engineer's detailed survey report and viewers' report. Any party having an interest in the proceedings may appear and provide comment. Written comments will be accepted at the hearing and by mail through the date of the hearing at the Roseau River Watershed District Office located at 714 6<sup>th</sup> Street SW, Roseau MN 56751. The proposed drainage project involves Establishment of a new drainage system located in Dieter and Ross Townships in Roseau County and has a drainage area of approximately 5.7 square miles. WD #4 will begin approximately 1,100 feet south of 300th Street, which is approximately one mile north of Minnesota Highway 11, and outlets into the Roseau River (River) in Section 29 of Dieter Township. The overall length of WD #4 is approximately 5.5 miles and will be located on the east side of Roseau County Road 115 (CR 115) until it reaches Roseau County State Aid Highway 10 (CSAH 10). WD #4 will then flow northwest to the west side of CR 115 and continue north to the Roseau River.

The following properties are affected by the work identified in the engineer's report and the viewers' report of benefits and damages:
